BUCKAHOLIC BULLETIN BOARD

It is time to forget about snow showers, the below freezing temperatures and cabin fever. Instead focus, concentrate and remember it's almost spring and that means the Club's Spring Banquet approaches. Then before you know it, there you are, seeing the trees blossom, flowers blooming and mowing the grass and probably experiencing all the joys of finally having left the winter with all its trials behind. It has been an unusually long winter. You really need to plan now to swing into spring with your Buckeye Buddies and be present at the Spring Banquet. Your plan also should include gathering some canned goods to bring along with you to donate them for our food drive project. (If you happen to forget, the Marsh Super Market is just a hop, skip and jump from JEHMMS but you won't forget, will you?) In these difficult economic times, it is even more important that we help those whose lives the recession has turned upside down. Note that these donations will be used for and in both our counties.

Other significant happenings at the Banquet will be besides a great speaker, electing of new officers; signing up for the Club's chance for football tickets; and, crowning the new Buckaholic of the Year. Pam and Dave Herminghuysen, the retiring Buckaholics's will be on hand to "Pass the Buck" on to the new winner/winners. Add to this the great food and the great friendship with your BB's and you have quite sufficient reasons to BE THERE. I am not kiddin'.

Otherwise - GO BUCKS!

PONDERINGS FROM THE PRESIDENT

BACK BY POPULAR DEMAND! Last year I attended the OSU Alumni Leaders Conference and I chose the breakout session “Time and Change: An Illustrated History of The Ohio State University. The keynote speaker, Dr. David Hothersall, presented the history of The Ohio State University. It was like winning the lotto, I picked the winner! So now, I am so excited to write and say that The OSU Alumni Club of Van Wert & Paulding Counties are privileged to have Dr. David Hothersall as our guest speaker for the Spring Banquet on March 31, 2009.

Here’s a little bit of information about Dr. David Hothersall...Born in Long Ridge England...Married to Lesley Manners...3 children...Graduated from the University of Witwatersrand in Johannesburg, South Africa with a B.A. in Psychology...Graduated from the University of Witwatersrand with a M.A. with a Distinction in Psychology...Graduated from the University of Tennessee with a PH.D in Psychology...1968 was Assistant Professor Dept. of Psychology at The Ohio State University...1970 Associate Professor at OSU...1981 Division Head, Comparative & Physiological Psychology...Author of one of the leading textbooks in the History of Psychology. We are very fortunate to spend the evening with Dr. Hothersall who has accomplished a polished and respectable resume in the field of Psychology. On March 31, 2009, Dr. Hothersall will share his knowledge of OSU. The presentation will explore the history and traditions of The Ohio State University with an emphasis on significant people and events in the university’s history. The session I attended was interrupted and I left wanting more, so I am looking forward to the full presentation. I will promise all that the evening will be entertaining! I also challenge all OSU fanatics to attend the banquet and to leave saying that they didn’t learn something new or interesting about the great Ohio State University. We will all understand why the words **BACK BY POPULAR DEMAND!** are boldly capitalized to describe Dr. Hothersall’s presentation.

Please don’t miss out on an entertaining evening with fellow Buckeyes and fine food while giving back to the students of Van Wert and Paulding Counties attending OSU. I also want to remind everyone to please bring a non-perishable item to donate to the 2 counties food pantry. Please get your ticket for the Spring Banquet on March 31, 2009 and spread the word! Thanks and GO BUCKS!

ChilLim Gonzales-President
